AMPERSAND

Ampersand Gin is our flagship product, an instant classic, that brings together organic BC wheat with eight organic & wild harvested botanicals and our own spring water.

Ampersand Gin plays well with others in your favourite cocktails, but it's also brilliant on its own. And since it's made from scratch with organic botanicals and organic BC wheat, we think it's a better gin. Period.

THE BOTANIST

Made by the geniuses at the Bruichladdich distillery, the Islay gin is jam packed with a tasty selection of botanicals big enough to make any botanist swoon. Just in case you were curious about what goes into the gin, the new bottle features the names of all the botanicals etched into the glass.

22 of the 31 botanicals are native to Islay, including wild Islay Juniper, giving us a real taste of the island that's neither a peated nor unpeated whisky.

BROCKMANS

The flavour notes that make Brockmans so unique are derived from an intriguing and unique bond of flavours. The Bulgarian coriander plays its part, it has an aromatic, almost gingery orange flavour, which marries beautifully with the softer, more rounded harmonies of blueberries and blackberries.

This inspired combination, together with the dry, bitter sweet peel of Murcian oranges, prolong the deeper tones and serve to give Brockmans its intensely smooth, beautiful taste.

BURLEIGH'S PINK EDITION

PINK Edition was distilled as a single batch in August 2016. Master Distiller Jamie Baxter was inspired to create this floral, delicately sweet gin after a visit to Tokyo. With preserved Japanese cherry blossom, hibiscus, rose and pink grapefruit added to the Burleighs London Dry recipe, PINK Edition is soft, smooth and very easy drinking.

Perfect served with Fever Tree Aromatic Tonic and a slice of fresh pink grapefruit.

CHASE SEVILLE ORANGE

To create Williams Seville Orange Gin, the Chase distillery had to create a World's Best Vodka. Made using potatoes from the family farm in Herefordshire, Williams Seville Orange Gin is a refreshing, citrusy spirit which will leave you wanting more. Juniper, orange peel, liquorice, elderflower and bitter almond are some of the botanicals that make up this unique gin that is finished with an infusion of Seville orange peel for 12 hours.

HENDRICKS

Distilled and bottled in Scotland, Hendrick's is a super premium gin with a subtly different botanicals recipe that includes a unique infusion of rose petals and cucumber alongside more traditional botanical ingredients. Hendrick's specializes in being different with a distinctive toffee-brown bottle that is reminiscent of an old fashioned apothecary's bottle, a clever reference to gin's medicinal origins.

PUERTO DE INDIAS FRESA

Los Alcores de Carmona is a family-run distillery located in the town of Carmona in the province of Seville. It prides itself on its long history of traditional manufacturing and distillation methods, it produces many quality products, but none as successful as its Puerto de Indias Strawberry Gin – described as a 'mistake' by the company's master-distiller. With a delicate touch of liquorice, this gin offers intense aromas of strawberry and juniper combined with subtle citrus notes.

TANQUERAY

Tanqueray London Dry Gin is distilled four times and has the perfect balance of four classic gin botanicals – refreshing juniper, peppery coriander, aromatic angelica and sweet liquorice. It is best enjoyed with tonic water, plenty of ice and a wedge of lime, but can be used as a great base for a wide range of cocktails. Tanqueray London Dry Gin has won multiple awards including recent accolades from the World's 50 Best Bars (Drinks International Brands Report 2016). It was judged to be the top trending gin, the best-selling gin and the bartender's overall favourite spirit.

WINT & LILA

WINT & LILA is a brand of gin that Casalbör manufactures in Puerto de Santa María (Cádiz, Spain) in an over 200 year old distillery. Its name comes from the Compañía de Indias established in Cádiz in 1646 by Juan de Wint and Margarita de Lila, which was one of the first companies dedicated to maritime trade with America and the East.

In its making, a complex five distillation process, 10 botanicals are used and combined: juniper berries, cilantro, angelica, angelica root, cinnamon, orange, lemon and lime peel, mint and orange blossom.
